Private Ceremonies— Weddings, Birthdays, and Memorial Services...

Bring Burlington Taiko's stately, joyful and exciting music to your personal event.

Lively music for celebrations, Japanese Lion Dance and Dragon Drums for good fortune, ancient music for ancestors and departed spirits.

A magical mix of drums, movement, and tradition, Burlington Taiko has enjoyed performing at many private ceremonies. We understand the uniqueness of each gathering and look forward to being included in your ceremony.

Please contact us and share your ideas.

Sincerely,
